

Local Professor to Head Up Rwanda Non-Profit

His Hands on Africa Appoints Keith Gosselin as Executive Director

Chatsworth, CA — January 31, 2023 — With the rapid expansion of their oral healthcare services in Rwanda, the Chatsworth-based non-profit His Hands on Africa has hired a new Executive Director to be tasked with increasing fundraising and enhancing U.S. operational efficiencies. “We are very excited to have Keith Gosselin join our team,” exclaimed Thomas Lee, founder “as he will bring a great amount of experience to both the marketing and operational areas of our organization.”

Keith Gosselin recently retired from college instruction after 25 years of teaching at CSUN, UCLA, California Lutheran University and Mount Saint Mary’s University, Los Angeles. During his tenure, Keith conducted over 50 pro bono class projects for non-profits located in the Los Angeles and Ventura County areas. Before entering academia, Keith spent ten years building up a small manufacturing company and then six years creating marketing and eBusiness departments in larger corporations. "I am thrilled at the opportunity to serve such a dynamic and life-giving organization as His Hands on Africa. I will leverage all my knowledge and experience to help spread compassionate care throughout Rwanda."

His Hands on Africa (HHOA) is a 501c3 non-profit with U.S. headquarters located in Chatsworth and with operations in Ngeruka, Rwanda. The organization’s mission is to spread the Gospel of Jesus Christ by providing oral healthcare to Rwandans who would not otherwise have access to dental services. HHOA takes a holistic approach by also arranging U.S. dental mission trips to Rwanda, helping train the next generation of Rwandan dentists and building water wells to provide clean water so Rwanda is not reliant on charitable organizations. For more information about HHOA, please visit www.hishandsonafrica.org.
